

PRAGUE CONGRESS CENTRE

A MODERN APPROACH IN EXCEPTIONAL CIRCUMSTANCES

We appreciate you being with us, and therefore we are following the highest possible hygienic standards in order to maintain a safe environment for all of our clients and employees.

We provide:

- ▶ Overpressure air conditioning - continuous fresh airflow throughout the premises
- ▶ Regular and thorough disinfection of the premises, especially high contact areas, such as the reception desk, elevators, and door handles
- ▶ Replenishment of disinfectants in every restroom
- ▶ Strict safety precautions for all PCC employees (face masks, temperature checks, etc.)

We offer:

- ▶ Large halls with ample space to allow distancing, including spacious foyers that can be adjusted according to your needs
- ▶ Plenty of parking space and separate access from the parking area
- ▶ Possibility of disinfection of furniture during event breaks, disinfection at entrance and health screening,
- ▶ Separate entrances to the building and creation of corridors for registration and access to meeting rooms
- ▶ Contactless registration for attendees
- ▶ PCC live TV studio for virtual presentations
- ▶ Hybrid events from 1 to 30 halls at the same time
- ▶ Rental of design KOMA modules on the outside terrace, suitable for outdoor events, exhibitions and pop-up stores

KCP building is located in the wider center of Prague, directly on metro line C (Vyšehrad stop) and offers spectacular views of the city skyline and Prague Castle.
